

# At the workplace or on the move, **REBEL FOOTWEAR** ensures the essential combinations of quality, styling and safety.

Are you tired of compromising the quality of your footwear? Rebel Safetygear is proud to launch its new and improved Rebel Chukka and Safety Shoe which puts quality and comfort back into affordable safety footwear. In addition, the boots provide a new "In the dark" safety feature, making the wearer visible in dark environments or at night. **REBEL'S ARE WORKBOOTS THAT JUST WORK!!**

The **NEW Rebel RE811 and RE380 range** has a very attractive price-performance ratio, supporting the following:

- Highly durable full leather upper
- Padded Bellow tongue for extra comfort and protection against sparks and shavings
- Ultra-Comfortable Inner Sole

- Light weight Dual Density Poly Urethane Rebel Sole
- Maxi-grip outer sole – ensuring high durability
- Breathable and Abrasion Resistant Tai-brella
- Wide Profile Esjot Carbon Steel Cap #459
- Hi-Visibility strip for added visibility
- Nickel-free D-Rings

\*Available in: Black or Brown
